About Us

Founded in 1927, Lutterworth High School prides itself on its history and traditions, visible in our House presence and reflected in our ethos and values. We enjoy healthy competition between Churchill, Cunningham, Montgomery and Tedder House.

We are an outstanding 11-16 school located in the heart of Lutterworth Town. Previously we were an 11-14 middle school. We adapted very well to the age range change and enjoy excellent results year on year.

Our students describe the school as 'modern and dynamic'. They study a rich and broad curriculum and they have access to excellent co-curricular opportunities encompassed in 'The Emerald Way' as well as a varied range of educational trips and experiences. We are proud of the exceptional standards of behaviour our students demonstrate, they strive to succeed and there are excellent relationships between students and staff.

Supporting staff well-being is of prime importance at Lutterworth High School. Staff working conditions are excellent and we benefit from a nice rural setting. There are strong mechanisms to support staff in a caring atmosphere and staff morale is very high. We have numerous initiatives to further support staff well-being including staff Pilates, staff breakfasts and the annual 'Wolf Run.'
