## About Us

Founded in 1927, Lutterworth High School prides itself on its history and traditions, visible in our House presence and reflected in our ethos and values. We enjoy healthy competition between Churchill, Cunningham, Montgomery and Tedder House.

We are an Outstanding 11-16 school located in the heart of Lutterworth Town. Previously we were an 11-14 middle school. We adapted very well to the age range change and we are enjoying excellent results. Our school mission statement is 'Where learning comes first' and our staff strive to deliver innovative and exciting lessons.

Our students describe the school as 'modern and dynamic' and they eagerly participate in the wide range of co-curricular activities we have on offer. We are proud of the excellent standards of behaviour our students demonstrate, they have a genuine appetite for learning and are happy to be at school. Everyone at our school immerses themselves into the many events that we hold.

We pride ourselves on the opportunities available to our students. We offer a wide variety of sports and we have an extensive fixture list against leading state and independent schools along with a comprehensive extra-curricular programme. Many of our students participate in sport at county, regional and national level.

We are proud of our excellent reputation and, as a very popular school with a high demand for places, we continue to look at opportunities to develop in the future.
