This policy is reviewed and updated annually to ensure that the special consideration process at Lutterworth High School is managed in accordance with current requirements and regulations.

## Introduction

(updated 2021/22) Special consideration is given to a candidate who has temporarily experienced illness, injury or some other event outside of their control at the time of the assessment. It is applied when the issue or event has had, or is reasonably likely to have had, a material effect on a candidate's ability to take an assessment or demonstrate his or her normal level of attainment in an assessment. (SC 1)

Special consideration can go some way to assist a candidate affected by a potentially wide range of difficulties, emotional or physical, which may influence performance in their examinations. It cannot remove the difficulty faced by the candidate. This means that there will be some situations where candidates should not be entered for an examination. This is because only minor adjustments can be made to the mark awarded. To make larger adjustments would jeopardize the standard of the examination. (SC 1)

## Purpose of the policy

The purpose of this policy is to identify roles and responsibilities within the special consideration process and confirms Lutterworth High School will submit an application for special consideration where a candidate meets the published criteria. (GR 5.9)

## Eligibility for special consideration

- Candidates will be eligible for special consideration if they have been fully prepared and have covered the whole course but performance in the examination, or in the production of coursework or non-examination assessment, is materially affected by adverse circumstances beyond their control (SC 2.1)
- Special consideration must be applied for at the time of the assessment (SC 2)
- Candidates will NOT be eligible for special consideration if preparation for, or performance in the examination is affected by the reasons detailed in the JCQ publication **A guide to the special consideration process** (SC 2.3)

## **Applying for special consideration**

At Lutterworth High School, where a candidate is eligible, special consideration will be applied for at the time of the assessment in accordance with the regulations as detailed in the JCQ publication **A guide to the special consideration process**.

(updated 2021/22) For candidates who are present for the assessment but disadvantaged Lutterworth High School must be satisfied that there has been a material detrimental effect on candidate examination performance or in the production of coursework or non-examination assessment.

Examples where a candidate/candidates may be eligible for special consideration include:

- A candidate arrives for the examination and is clearly unwell, extremely distressed and/or may have sustained an injury that requires emergency access arrangements to be put in place:
  - the candidate is kept under centre supervision (from 30 minutes after the published starting time for that examination until they begin it) while appropriate arrangements are put in place for the candidate to take the examination (ICE 7.4)
  - special consideration is applied if this indisposition has had, or is reasonably likely to have had, a material effect on the candidate's ability to demonstrate his or her normal level of attainment in the examination (SC 1)
- Application for an allowance on the last paper taken in a day when a candidate has been entered for three or more examinations timetabled for the same day and the total duration of those papers is more than 5 hours 30 minutes (GCSE examinations) or more than 6 hours (GCE examinations) (SC 3.3)
- Serious disturbance during the examination (SC 2.1)
- Candidates will not be eligible for special consideration if preparation for, or performance in the examination is affected by a minor disturbance in the examination room caused by another candidate, such as momentary bad behaviour or a mobile phone ringing (SC 2.3)

Additional examples:

Not Applicable

#### **Candidates who are absent from a timetabled component/unit for acceptable reasons**

If a candidate is absent for acceptable reasons, and Lutterworth High School can support this, special consideration will be applied for if the examination missed is in the terminal series and the minimum requirements for enhanced grading in cases of acceptable absence can be met. (SC 4)

(updated 2021/22) For unitised examinations taken in an examination series prior to certification, candidates must be re-entered for any missed units at the next assessment opportunity. Unless there are difficulties arising, e.g. group performances which cannot be repeated, special consideration will not be awarded. (SC 4)

## Other issues

Where other issues or problems affect a candidate or a group of candidates, special consideration will be explored in **A guide to the special consideration process** and applied for where eligible. This may include, for example:

- Other certification (SC 5)
- Coursework/non-examination assessment extensions (SC 5)
- Shortfall in work (coursework/non-examination assessment) (SC 5)
- Lost or damaged work (non-examination assessment components) (SC 5)
- Candidates taking an incorrect or defective question paper (SC 5)
- Candidates undertaking the wrong controlled assessment or non-examination assessment assignment (SC 5)

Additional issues:

Candidates with symptoms of a respiratory infection including COVID-19

- “Children and young people with mild symptoms such as a runny nose, sore throat, or slight cough, who are otherwise well, can continue to attend their education setting.”
- “Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people, where they can. They can go back to school, college or childcare, and resume normal activities when they no longer have a high temperature and they are well enough to attend.”
- “It is not recommended that children and young people are tested for COVID-19 unless directed to by a health professional.”
- “If a child or young person has a positive COVID-19 test result they should try to stay at home and avoid contact with other people for 3 days after the day they took the test, if they can.” The Exams officer will contact you to discuss this further.
- “Children and young people who usually go to school, college or childcare and who live with someone who has a positive COVID-19 test result should continue to attend as normal.”

Where a candidate may be eligible for special consideration (a post assessment adjustment) in a vocational qualification, Lutterworth High School will follow **A guide to special consideration** (section 7) and awarding body guidance to determine if, when and how an adjustment can be applied for.

If a claim is made after the completion of a review of results, the claimant will be informed that an application for special consideration cannot be submitted.
