Dear Parents/ Carers

Happy New Year! I hope you had a nice Christmas break. Well done to all of the students in this week's newsletter celebrating success. There are some fantastic sporting and academic achievements.

We will be teaching Relationships and Sex Education (RSE) in the next few weeks. There is a letter explaining this in more detail available [here](#).

Just a quick reminder for parents in Year 11, that we will be issuing mock examination results on Wednesday 26th January. The following evening will be the Parents Evening where we can discuss the results and how we will support your child as we approach this year's examinations.

Have a nice weekend.

Yours faithfully

Year 7 FRENCH SPELLING BEE COMPETITION FINAL

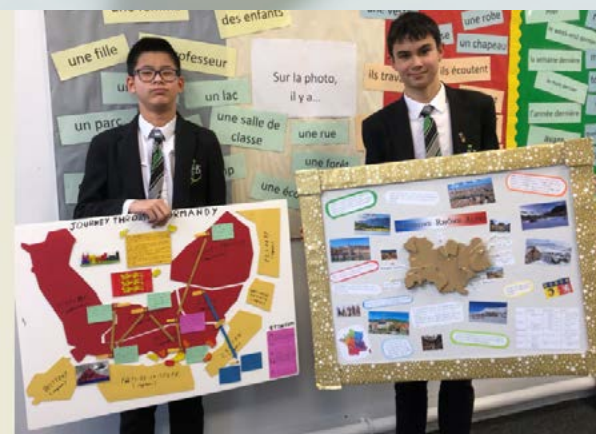

After more than a hundred words, and two months of hard work, we would like to announce and congratulate the winners of the French Y7 Spelling Bee, Antonio and Alfie. The students exhausted the whole list which they had had to prepare and could not be separated, even when the Head of MFL, Mrs Anderson, gave them surprise unseen words. Both students were phenomenal and impressed staff and students alike with their dedication, hard work and excellence. All participants should be very proud of themselves for their wonderful performances and the commitment they showed in giving up their own lunchtime in order to take part, as well as the collective hours spent at home preparing. Félicitations Antonio et Alfie!

Wow work in MFL

We were delighted to receive two pieces of WOW homework this week from two students in Year 8. Students had to complete research homework about a region of France. They went above and beyond to produce two high quality displays. One student chose to describe the region of Auvergne et Rhône-Alpes while the other chose to describe Normandie.

They both received a distinction award for their effort and their display will be used to showcase future excellence in MFL to visitors.

Très bien les garçons!

She competed with other children from 59 countries and played over 8 matches in 6 days.

Book of the Month January

The Alex Rider series by Anthony Horowitz

Alex Rider is fluent in five languages. He can kickbox better than Bruce Lee, and break into a secure bank vault no problem. Why is this? It's because Alex isn't just a teenage schoolboy. He's also a spy for MI6. But while this might sound pretty cool, it's also extremely deadly. Alex has made a lot of enemies. How long can he stay alive?

This graphic novel version of the Alex Rider series is action packed and fun to read.

Copies available from the Learning Hub

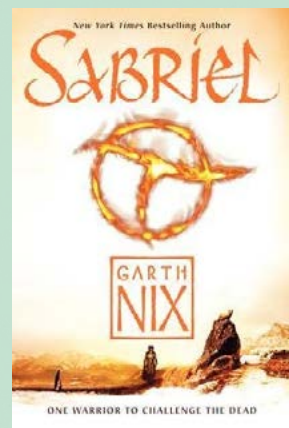

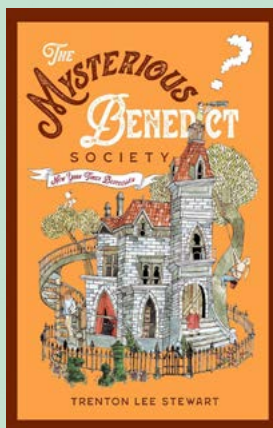

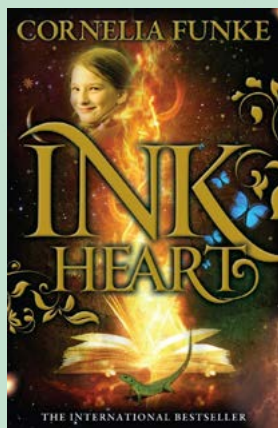

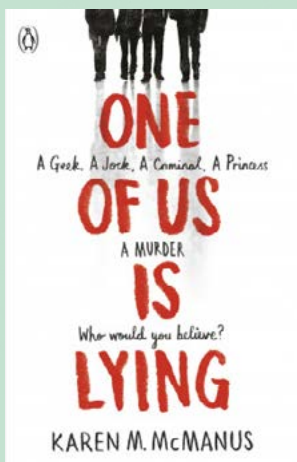

We also have the novels if you prefer reading longer texts.

NEW YEAR, NEW SERIES
