Lutterworth High School Academy Trust

Friday 6th December 2024

Dear Parents / Carers

Welcome to our weekly newsletter. The Attainment 8 and Progress 8 scores for 2024 have been published this week. We are very pleased to let you know that our Attainment 8 score was 49.9. Basically, the average grade awarded to our students was a whisker short of a grade 5. More importantly, we are very pleased to say that the average progress score was +0.25. This shows the very positive impact of the education at Lutterworth High School, whereby on average the students did a full quarter of a grade better than would be expected from their starting points. The full breakdown of results is available here. <https://www.compare-school-performance.service.gov.uk/school/137115/lutterworth-high-school/secondary>

I'd like to thank all parents who supported the wreath making evening. It was an excellent event and a sell-out. I'd also like to thank the Royal Navy for spending three days with us this week. The students have had an amazing time working in teams and problem solving. Photos are inside.

The Emerald Way theme of charity goes from strength to strength. This week Form 9HO held a very popular bake sale to raise money for the MS society and Oddballs foundation.

As Christmas approaches, I want to remind you about our school Christmas dinner and concert. Details are inside.

Yours faithfully

Mr Kirby  
Headteacher

## Annual Wreath Evening

On Tuesday evening we welcomed 41 creative ladies for our annual wreath making event. Some of them were returning after attending the event for several years running.

There were some incredible end results involving products brought in from home from those people who were super organised. We had pheasant feathers, lights, hand carved family names and much more. It was a delightful event to be part of and really kicked off the festive season in a lovely fashion.

The money raised from this inventive endeavour means that we now have enough funds to start training our future therapy dog.

# The Royal Navy's visit to Lutterworth High School

This week the school were visited by the Royal Navy. Thank you to Leading Hand Mark Fenn and his team SGT Mattock, LH Thurlow, LH Fenn, LH Mannion.

The Royal Navy were here for Tuesday, Wednesday and Thursday. All KS3 students had the opportunity to meet with Leading Hand Mark Fenn and his team for a 50-minute session across the 3 days. Sessions included rocket design, rocket launching and helicopter design.

52 Year 10 students also took the opportunity to meet with the Royal Navy for a Q and A session. These students expressed their interest through SOCS and were treated to a talk about life in the Navy before having the opportunity to ask questions. Students were interested to learn the requirements to get into the Navy, the different types of jobs in the Navy and the pay scales available to them.

# SPORTS HIGHLIGHTS

## U12 Rugby

LHS v Bablake

This was the best game of the weekend. An evenly contested match against two teams who have had excellent seasons so far. Four years 7's had the opportunity to play with the year 8's due to demonstrating excellent performances in previous weeks. Edward Vesty carried well throughout the match and both Theo Thompson and Jayden Thompson were strong in the scrum. Seth Barry committed himself to all tackles throughout the game and had his best game to date. At half time the score was 15-10 to Bablake. We scored early in the second half to make it 15-15 and the game stayed a draw until the final minute when Bablake picked up a loose ball and ran to the corner to score.

### Results

LHS lost 20-15 to Bablake

## U13 Rugby

LHS v Bablake

Year 8s started the day with a good warm up and went into the game confident. However the boys struggled to look after the ball and tackling a well drilled bablake team. On the other hand, just before half time the lads scored a great team try leaving the score 40-5 at the half. The second half was more promising as the tackling improved, along with being able to keep possession of the ball. This resulted in Lutterworth scoring a few tries in the second half, one being a full length of the pitch try from Elijah. Overall the end score was 60-20 but the boys showed some really good rugby towards the end and never gave up. Well done lads!

### Results

LHS lost 60-20

## U16 Rugby

LHS v Bablake

The game started fiercely with big hits going in from Harrison Lewis and Ollie Mellon. Both teams wanted to contest for the ball at the breakdown and the referee was fully tested, having to make some tight calls throughout the game. Bablake took the initial lead, scoring two converted tries through their strong attack. We responded well; Ollie Vesty ran some excellent attacking lines and we scored before half time to make it 14-5. Bablake changed most of their players at half time and proved the fitter team by the end of the second half. Despite a big effort from the U16's which include Zav Williamson and Michael Josiah having a big impact in the scrum winning some key penalties, Bablake finished the game 45-12.

LHS lost 45-12.

# Penalty Notices for unauthorised absences: What you need to know about the changes.

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for unauthorised absences that occur after 19<sup>th</sup> August 2024.

## 5 Consecutive Days of Term Time Leave.

Penalty Notice fines will be issued for term time leave of 5 or more consecutive days, and for fewer days where this has happened before.

## 10 Sessions of Unauthorised Absence in a 10-week period.

Penalty Notice fines will be considered when there have been 10 sessions of absence in a 10-week period.

## Per Parent, Per Child

Penalty Notice fines will be issued to each parent, for each child who was absent.

For example: 3 siblings absent for term time leave will result in each parent receiving 3 separate fines.

### First Offence

The first time a Penalty Notice is issued for Term Time Leave or irregular attendance the amount will be:

£160 per parent, per child when paid within 28 days.

Reduced to £80 per parent, per child if paid within 21 days.

### Second Offence (within 3 years)

The second time a Penalty Notice is issued for Term Time Leave or irregular attendance the amount will be:

£160 per parent, per child when paid within 28 days.

(No option to pay at £80 level)

### Third offence and Any Further Offences (within 3 years)

The third time an offence is committed for Term Time Leave or irregular attendance a Penalty Notice will not be issued. The case will proceed to the Magistrates' court.

Magistrate's fines can be up to £2,500 per parent, per child.

Please consult your school's attendance policy and speak with your school if you are thinking of taking your child out of school during term-time. It is likely you will need to make a written request to take your child out of school and any leave of absence will need to be agreed by your Headteacher before it is taken.

## Hey, how are you feeling?...

There are lots of things you can do to keep yourself well and feeling good, like:

- Getting a good night's sleep
- Doing something you enjoy like playing games
- Spending time with friends and family
- Exercising and eating well to look after your body
- Learning a new skill or taking on a challenge
- Helping other people
- Spending time outside in nature

... I feel great! I am happy and healthy

... I'm okay, but I sometimes feel a bit worried or sad

It's normal to feel this way. We all experience lots of emotions and these can change over time.

Try some of the things in the box above and talk to someone about how you're feeling. This could be your friends, a parent or carer - or a teacher or adult at school.

If you're struggling, it's important to speak to someone. People want to help you. If you need it, you or your parents or carer can support you to get professional help. A good place to start is by talking to a mental health and wellbeing lead or trusted adult at school, or your GP.

You can also find free and safe support on these websites:

- Kooth: [www.kooth.com](http://www.kooth.com)
- Health for Teens: [www.healthforteens.co.uk](http://www.healthforteens.co.uk)

... I am struggling and need some help

... I am so upset or overwhelmed that I need help now

If you need to speak to someone urgently, you or a parent or carer can call the Mental Health Central Access Point on **0808 800 3302** or **NHS 111**. The lines are open 24/7.

If there is an immediate or life-threatening emergency, call 999 or attend A&E. People are there and ready to help you now.
