Friday 21st March 2025

Dear Parents / Carers

Welcome to our weekly newsletter. Inside this week you will find a fantastic section on our sporting successes. Well done to all of our students involved. We've had great success with our basketball teams, with the u16s and u13s both making the county cup finals. There were two brilliant finals with our u16s narrowly losing and our u13s winning the county title again. We are in the county cup final for u14 rugby, following one of the most exciting rugby games I have seen in a long time. The performances, effort and determination from the students was exceptional. There was an incredible defensive performance. What a week of sport!

Thank you for your donations today for comic relief. If you have yet to do so, you can donate on Scopay. The students have enjoyed the opportunity to wear non-uniform.

Have a nice weekend.

Headteacher

The LHS Library is now carrying this beautiful collection of books designed specifically for teens, to help with some of the common issues that many teens face. The collection can be found in the pop-up library currently being run during lunch times in E4.

Be Positive - Written to help encourage teens to embrace happiness and challenge any negative inner thoughts.

Includes advice on how to create useful tools to help build self-esteem, increase motivation, and find the courage to face new challenges.

Second language leaders' visit to John Wycliffe Primary School

Last Friday, our Year 9 Language Leaders visited John Wycliffe Primary School. They taught Year 3 and 4 students about how to say different classroom objects in French! During Language Leadership club, they planned their lesson and the resources they would require. They displayed excellent organisation, presentation and communication skills which the MFL department are very proud of. They are to return in the summer term and will also be teaching French to Year 6 during our induction days.

Apprenticeship Fair

On Thursday, we took ten Year 11 students to The City Hall in Leicester city centre to attend an apprenticeship fair. The students were able to talk one-on-one with some amazing colleges and employers, such as Leicester College and Loughborough College about the apprenticeships they have to offer to 16+ school leavers. The students also had the opportunity to speak with experts in apprenticeships from a range of different industries, including construction, education, IT and engineering. The students all did an amazing job of representing LHS at the fair, well done!

LHS DANCE SHOW 2025

Last Tuesday and Wednesday we had our annual dance show with over 80 students taking part.

The night was a blur of colour with some fantastic costumes on display.

Dances ranged from commercial, jazz, contemporary, tap and GCSE work pieces.

Some students had been practising since October!

Many students choreographed their own pieces, with some of our Year 11 students getting involved in the choreography of lower year groups.

Both performances were a sell-out and we can't wait for next years show!

More photos to follow soon!

SPORTS HIGHLIGHTS

Girls U16A Basketball v St Martins

The KS4 girls basketball team headed to the Mattioli Arena on Monday evening for their County Final. We battled from 10 points down to come back to level the scores at the end of full time. The game went to overtime, where unfortunately we lost by a few points. Well done to everyone involved - to be the second best team in the county is a great achievement.

Girls U13A Basketball v St Martins

The Year 8 girls basketball team kicked off our County Final night at the home of Leicester Riders on Monday evening. The girls played excellently in a game that was very closely matched, with both teams taking narrow leads throughout the game. The girls were down by one point with seconds left on the clock, when Amelie scored a great shot to give us a one point lead. The girls then defended brilliantly to prevent St Martins being able to take another shot. The buzzer sounded and the girls deservedly celebrated, defending their County Champions title from Year 7 in a hard-fought game. Well done all! Can we make it 3 years on the bounce next year?

Girls U12 A Futsal

In the early stages, Charnwood's attackers proved to be a challenge, making it difficult for the girls to defend. However, the team didn't back down. As the game went on, the girls began communicating more effectively, working together to cover spaces and support one another. The quality of their play improved noticeably as they found their rhythm, with the mid-court players moving the ball swiftly down the court and creating opportunities.

Boys U16 A Rugby v Kibworth Mead

Kibworth Mead gave us the Walkover win, so while there is no game to report on, it is worth reporting that this puts us into the U16 Plate final to be played at Hinckley RFC on Tuesday 1st April. All support welcome.

SPORTS HIGHLIGHTS

Sports leaders at Vipers Rugby ground

A fantastic day for the sports leaders and the students at the Primary Tag Rugby Megafest! The workshop in the morning was a great opportunity for the leaders to develop both individually and as a team. The carousel of rugby activities in the afternoon was a lot of fun for the younger participants, and it's great to hear that the leaders set such a high standard. Ending with a rugby tournament was a nice touch for some healthy competition. Well done to the sports leaders for their hard work and dedication! It's clear they made a positive impact.

Girls U13B Netball v Charnwood

The Year 8C team faced off against Charnwood in an exciting netball match that saw plenty of determination and growth on the court. Despite starting off nervous, the girls showed great resilience as the game progressed, gradually building their confidence and teamwork.

In the early stages, Charnwood's attackers proved to be a challenge, making it difficult for the girls to defend. However, the team didn't back down. As the game went on, the girls began communicating more effectively, working together to cover spaces and support one another. The quality of their play improved noticeably as they found their rhythm, with the mid-court players moving the ball swiftly down the court and creating opportunities.

Though Charnwood ultimately claimed the victory with a 15-2 scoreline, the girls' development throughout the match was clear. They battled on, improving with each passing minute. The match highlighted their growing skills and understanding of the game, and they should be proud of the progress they made.

Special mentions go to Mandi, who had an outstanding performance, and to Izzy, who was named Coach's Player of the Match for her hard work and dedication on the court.

While the result wasn't what they had hoped for, the team's growth and commitment to improving were evident. Well done to the Year 8 C team for their effort and determination!

SPORTS HIGHLIGHTS

Boys U14 A Rugby

The U14s faced a very large and intimidating Loughborough Grammar side on Wednesday afternoon in the County Cup semi-final. Although Loughborough scored first and early, by half-time the lads had dug deep and were winning 17-14. That said, they had been played with the hill, and still faced a monumental challenge to beat Loughborough, now that we were going up hill in the second half. Loughborough looked to be running away with it at 17-29, but the lads came back spectacularly to take the lead 31-29. In the final play of the game, Loughborough had a penalty shot at goal to win the game, but pulled the kick wide, giving us the win! The lads will now face Ratcliffe College in the County Cup Final on Wednesday 2nd April at Hinckley Rugby Club.
