

Lutterworth High School

Where Learning Comes First

Job Application Pack
Teacher of Science

Welcome to our school

Dear Applicant

I am delighted that you are interested in the role of teacher of Science at Lutterworth High School. I hope this pack gives you a feel for the school. You are very welcome to visit either during the day or at the end of the school day when you can meet me in person. Please contact lboon@lutterworthhigh.co.uk to arrange a visit. I would also recommend a look at our website and video to get a feel for the school.

The science department is very well led with a team of passionate and hard working staff. Results are excellent in both separate science and the double award. Results consistently exceed national benchmarks with very strong progress. The science labs are modern and well equipped and supported by two technicians.

We offer an exceptional environment in which to teach. Our staff love being at the school and there is a strong culture of working together and sharing best practice. Staff are proud of their school and strive to deliver the best educational experience for the students. We place a strong emphasis on professional development.

If you are an ECT we offer an excellent programme of support and you will also have the opportunity to join the school in June/ July at the end of your initial teacher training.

If you are hardworking, love teaching and want to be part of our team we welcome your application.

Kind regards

Julian Kirby
Headteacher

About Us

Founded in 1927, Lutterworth High School prides itself on its history and traditions, visible in our House presence and reflected in our ethos and values. We enjoy healthy competition between Churchill, Cunningham, Montgomery and Tedder House.

We are a high attaining and oversubscribed 11-16 Academy school, located in the heart of Lutterworth. Our school mission statement is 'Where learning comes first' and our staff strive to deliver innovative and exciting lessons.

Our students describe the school as 'modern and dynamic' with excellent facilities. We are proud of the very high standards of behaviour our students demonstrate, they have a genuine appetite for learning and are happy to be at school. Everyone at our school immerses themselves into the many events that we hold.

We pride ourselves on the opportunities available to our students. We offer a wide variety of sports and we have an extensive fixture list against leading state and independent schools along with a comprehensive co-curricular programme through The Emerald Way.

We are proud of our excellent reputation and, as a very popular school with a high demand for places, we continue to look at opportunities to develop in the future.

Teacher of Science

Part time

Salary: MPS/UPS

Closing date: 12 noon Monday 11th May 2026

Required from: 20th August 2026

How to apply

- Complete an application form, these can be found by clicking [here](#). CVs will not be accepted on their own.
- Please make sure you address the criteria outlined in the competencies found in the person specification when writing your supporting letter (two sides of A4 maximum).
- Should you have any queries on the application process, please contact Caroline Creed on 01455 552710.
