Job Application Pack

Cover Supervisor with Sport

Welcome to our school

Dear Applicant

We are delighted you have shown an interest in joining our team at Lutterworth High School.

Everything we do at LHS is underpinned by our ethos: “Where learning comes first”. We create a caring environment where students can develop to become articulate and confident young people, prepared for the next stage of their education and able to participate and contribute to society. We know that to learn, students need to feel safe and happy. Both the size of our school and the support offered enables our students to develop their passions and interests and grasp every learning opportunity both within and beyond the curriculum.

With student learning at the heart of everything we do, our teachers and support staff strive to deliver the very best standard of teaching and learning and ensure our students are excited and engaged. We are incredibly proud of our broad and balanced curriculum and our vast co-curricular offer which is encompassed by ‘The Emerald Way.’

Sport plays a central role in our school life through our strong and successful PE department. Our students regularly compete against independent schools and we offer an extensive range of extracurricular sports clubs and activities. We believe that physical education and sport are vital to developing resilience, teamwork, and wellbeing in our young people.

As a Cover Supervisor with Sport, you’ll play a key role in maintaining continuity of learning across the curriculum while also supporting our thriving PE department. You’ll have the opportunity to work with enthusiastic, hard-working students who are eager to learn and excel in both the classroom and on the sports field.

We look forward to receiving your application.
