Lutterworth High School Academy Trust

Friday 4th September 2026

Dear Parent / Carer

Welcome to our weekly newsletter. I hope you had a nice bank holiday weekend. We have had our second day at Alton Towers today. Thankfully the rain has cleared and I am sure the students are having an amazing time. We are at Alton Towers as a reward for all of those students who have had excellent attendance over the course of the last academic year.

Attendance is the biggest indicator of whether a student will be successful in their studies. Our school target for every student is 96%.

We look forward to welcoming our Year 10 and 11 parents for our GCSE Information Evening. We always get very good feedback from parents about this event. Details are inside.

Have a nice weekend.

Kind regards

Julian Kirby
Headteacher

Allergy Awareness

The safety and wellbeing of all our students is our highest priority. In line with Benedict's Law and our commitment to being an Allergy Aware School, we have implemented a range of measures to support students with allergies and reduce the risk of allergic reactions. These include staff training, individual healthcare plans for students and emergency response procedures. We are seeking parent views to inform our allergy safety policy. If you would like to help inform this policy, please complete the short survey on Edulink. This policy will be published on the school website before Christmas.

To help us create a safe environment for everyone, we ask for your support by not sending nuts or nut-based products into school. This applies to:

- Packed lunches
- Items donated for bake sales
- Ingredients used in cooking lessons
- All other occasions when food is brought into school from home
- Our school operates a no-nuts approach to minimise the risk to students with severe nut allergies.

We recognise that living with allergies can be a source of anxiety for students and families, and we are committed to fostering a supportive and inclusive environment where every student can participate fully and safely in school life.

If you have any questions, concerns, or wish to discuss your child's allergy needs, please contact Tracey Cotton at medical@lutterworthhigh.co.uk, who is responsible for students' Individual Healthcare Plans, first aid provision and allergy safety arrangements within school.

Thank you for your cooperation and support in helping us keep all members of our school community safe.

Student Achievement

Congratulations to the student below who participated in the Senior County Closed Leicestershire Tennis Week during the summer holidays.

This was the first time she entered an adults' tennis tournament as she has previously only competed in junior tournaments.

She played consistently and performed really well, managing to win two of the three categories she entered, one singles and one doubles!

Well done!

Student Achievement

In July, this student had an amazing time at English Schools, she was selected for the U17 200m and came second in her heat, qualifying for the final where she came third getting her first national medal! An amazing achievement that she was so pleased with she cried! She was also selected to do the U17 4 x 100m mixed relay for Leicestershire and Rutland; they came second in their heat and seventh in the final. The whole day was a great experience for her!

Student Achievement

Congratulations to this Year 9 student for his amazing achievement; him and his dad completed the National 3 Peaks Challenge in 22.5 hours!

What a wonderful experience and some fantastic photos!

Wow Work

Year 11 have started the year by making a Thali. Thali is a round platter used to serve food in South Asia, Southeast Asia and the Caribbean. Thali is also used to refer to an Indian-style meal made up of a selection of various dishes which are served on a platter.

Year 11 – Ant W, Jayden W and Zac H

Darcey B and Ella P

Joseph B, George W and Kayden L-M

Year 10 have been making paella as part of their research project into Spanish cuisine. They have showed great skill in using saffron to delicately add colour and flavour to this popular rice dish.

Mental Health Support in Leicestershire

GUIDE FOR YOUNG PEOPLE

In this guide you will find information, advice and support on your feelings and mental health, from these Leicester, Leicestershire and Rutland services:

Health for Teens – www.healthforteens.co.uk

ChatHealth – www.chathealth.nhs.uk/start-a-chat

Tellmi – www.tellmi.help

ALWAYS REMEMBER:

IT'S OKAY NOT TO BE OKAY, AND YOU ARE NOT ALONE.

NHS Leicestershire Partnership NHS Trust

Hey, how are you feeling?...

There are lots of things you can do to keep yourself feeling well:

- Getting a good night's sleep
- Spending time with friends and family
- Playing games or getting outside
- Exercising and eating well to look after your body
- Learning a new skill or taking on a challenge
- Helping other people

... I feel great! I am happy and healthy

It's normal to feel this way. We all experience lots of emotions and these can change over time.

Try some of the things in the box above and talk to someone about how you're feeling. This could be your friends, a parent or carer - or a teacher or adult at school.

... I'm okay, but I sometimes feel a bit worried or sad

If you're struggling, it's important to speak to someone. People want to help you. If you need it, you or your parents or carer can support you to get professional help. A good place to start is by talking to a mental health and wellbeing lead or trusted adult at school, or your GP.

You can also find free and safe support on these websites:

- Tellmi: www.tellmi.app/landing
- Health for Teens: www.healthforteens.co.uk

... I am so upset or overwhelmed that I need help now

If you need to speak to someone urgently, you or a parent can call NHS 111, selecting option 2 for mental health. This is a 24/7 service.

If there is an immediate or life-threatening emergency, call 999 or attend A&E. People are there and ready to help you now.

... I am struggling and need some help

IMPORTANT DATE FOR YOUR DIARY

SEASONAL FLU VACCINATION ON

**Wednesday 16
September 2026**

Please note that due to the complexity of delivering the programme across Leicester, Leicestershire and Rutland, our flexibility to offer alternative dates is very limited.

This is an important Public Health initiative that helps protect the health and wellbeing of pupils, staff and the wider community, we would greatly appreciate your support in prioritising it where possible.

Our flu vaccination programme is carefully organised on a geographical basis to support efficient delivery across all schools. As a result, any changes to scheduled dates can have a wider impact on neighbouring schools and the overall programme.

We do understand that challenges may occasionally arise with the allocated date; however, we kindly ask that any requests for changes are kept to a minimum, as they can be difficult to accommodate without affecting others.

Please ensure that any requests for date changes are submitted by 30 June 2026. This will allow sufficient time for rescheduling for both our service and your school.

Further information regarding secondary vaccination programme for secondary schools (HPV , 3in1 Teenage Boosters and MMR) dates will be provided in due course.

What do you need to do now?

- The flu vaccination programme will be offered to children and young people from Reception to Year 11 September 2026 – December 2026. In selected special education schools, the programme is available to all children and young people up to school leaving age.
- Make a note of your allocated session date and add it to your calendar for the next academic year. If you are unable to facilitate the proposed date, please contact lpt.sais@nhs.net before the 30 June 2026 so we can explore this with you.
- Please confirm the name and contact details of your designated contact or link person for your school.
- Further details about the immunisation session will be shared please look out for our Vaccination Programme information email.
- For more information about the NHS vaccination programme and school briefings:
