Friday 9th October 2026

Dear Parent/Carer

Welcome to our weekly newsletter. I have written to all parents today with a FAQ document about the introduction of mobile phone pouches. This is also included [here](#). The pouches will be issued on the first Monday back after half-term.

Next Thursday we have our Post 16 Evening for Year 11 parents and students. This market hall style event is a great opportunity to meet a range of local Post-16 institutions and see what they have to offer. We also have Universities in attendance and guidance on pathways, like apprenticeships.

Well done to everyone who participated in sport this week! It's great to see us able to field four netball teams in Year 7.

Our 'Bring it on' cast and crew have had a busy week raising funds for their show. Thank you to everyone who contributed towards the bake sale, which unsurprisingly was very popular.

Have a nice weekend.

Kind regards

Julian Kirby
Headteacher

Hot Choc Friday - Well done to the following students who have achieved a Hot Choc Friday this week.

Pembroke College KS4 Visit day

A group of students from Year 11 visited Pembroke College at the University of Cambridge on Monday. The aim of the visit was to get to know the University of Cambridge with its collegiate system, and understand more about life at university in general. The day included a Q&A session with current students, a tour around the beautiful college grounds and a subject taster session with a STEM PhD student. It was fantastic to see how our Year 11's presented themselves and participated with enthusiasm in all activities; a lot of very thoughtful questions were asked. Well done to all students and hopefully this visit has inspired them to apply to Cambridge in a couple of years time. The day will be followed by a 'Choosing the right A-levels' session in school for all Year 11 students who want to do A-levels next year.

Bring It On Fundraiser

The 'Bring it On' cast had a fantastic fundraising day on Wednesday. We sold lots of cake, had lots of happy raffle winners and we decorated some fantastic bows and caps to use in the performance. Thank you to everyone who came to support the cast, especially to those who donated. The money raised will be funding our staging and costumes! Amount raised to follow!

SPORTS HIGHLIGHTS

Rugby fixtures vs Leicester Grammar

U13's

This was an excellent fixture contested between two very good teams. We were strong in attack with some good runs and lines broken from the backs. The forwards worked hard and counter rucked really well to win some crucial turnovers. The play of the game went to Thomas for taking the ball to the line and breaking down the defence on several occasions. Leicester Grammar won 5-4 but both teams really deserved a draw.

U12

The under 12s had a fantastic fixture that resulted in both teams scoring seven tries for the game to end in a draw.

LHS made a strong start to the first half by scoring four unanswered tries. However, Leicester Grammar made a good come back to end the half ahead. After the break, LHS played some fantastic attacking rugby to go ahead again and were looking like they would come away with the victory. Unfortunately, a couple of defensive errors allowed the opposition to finish with a couple of tries to end in a draw. Overall an excellent morning of rugby was enjoyed by all.

U16s

The team was unfortunately decimated by injuries and the DoF walk, meaning that we travelled with an under strength side and several players playing out of position. Both teams attacked well but defended poorly meaning that it was a very high scoring game, with Leicester Grammar running out 42-38 winners. A frustrating result, as with better availability we could have no doubt had a win.

SPORTS HIGHLIGHTS

Netball

LHS hosted the Y7 A+B squad netball tournament on Wednesday 7th October.

The weather was awful during the day but brightened up just in time. We even had glorious sunshine for a couple of matches.

LHS had an A squad and three B squad teams. All the girls played hard, demonstrating some fantastic skills.

The A squad won the tournament overall and will go through to the next round of the league.

The pink B squad won the B tournament. The blue and green team also played very well.

- Getting a good night's sleep
- Spending time with friends and family
- Playing games or getting outside
- Exercising and eating well to look after your body

It's normal to feel this way. We all experience lots of emotions and these can change over time.

Try some of the things in the box above and talk to someone about how you're feeling. This could be your friends, a parent or carer - or a teacher or adult at school.

If you're struggling, it's important to speak to someone. People want to help you. If you need it, you or your parents or carer can support you to get professional help. A good place to start is by talking to a mental health and wellbeing lead or trusted adult at school, or your GP.

You can also find free and safe support on these websites:

... I am so upset or overwhelmed that I need help now

If you need to speak to someone urgently, you or a parent can call NHS 111, selecting option 2 for mental health. This is a 24/7 service.

If there is an immediate or life-threatening emergency, call 999 or attend A&E. People are there and ready to help you now.
