Lutterworth High School Academy Trust

Friday 16th October 2026

Dear Parent/ Carer

Welcome to our weekly newsletter. This week we announce our Activity Week visits and activities for Summer 2027. The booklet is available [here](#). You will also receive this information separately via e-mail.

I'd like to thank our parents who came into school yesterday to volunteer their time and expertise in interviewing our Year 10 students for their mock interviews. We really appreciate your help and support with this.

We had a fantastic Post-16 Evening yesterday. We'd like to thank all of the Post-16 institutions and universities who attended. They are always very complimentary about our students.

Finally, we have one of our favourite competitions of the year. Team Tedder have launched their pumpkin carving competition. Look inside for the details.

Have a great weekend and half-term break.

Kind regards

Julian Kirby  
Headteacher

## Concert Performance

On Saturday 10th October, LHS students were invited to participate in a concert alongside Tonmawr Male Voice Choir. Six of our students performed solos to over 230 people in the audience. Many of the audience came to speak to the students during the interval and after the concert to say how impressed they were with the standard of the performances. The students received a small gift for their hard work and Dilys the Dragon now lives in the music classroom.

Well done to all the musicians!

# LUTTERWORTH HIGH SCHOOL

Where Learning Comes First

Dear Parents and Carers

## Attendance Matters – Every Day Counts

After a busy 8 weeks, we hope that your child has settled back into school. As we begin the new school year, we would like to remind you of the important role that regular attendance plays in your child's education.

Every day in school is an opportunity to learn, make progress, spend time with friends and take part in the many experiences that school has to offer. At Lutterworth High school, our attendance target is 96% or above. To achieve this, we ask that students have no more than 7 authorised absences across the academic year.

We understand that children are sometimes unwell and that there are occasions when absence is unavoidable. If your child has a sore throat they can come into school, if they have a temperature over 39° Celsius, they must stay at home.

School holidays, in term-time, will be unauthorised and could carry a penalty fine, please see the links below.

We encourage families to think carefully about attendance and to avoid keeping children at home unless it is genuinely necessary. Even a few missed days can mean missing important learning, which can sometimes be difficult for children to catch up on.

We would really appreciate your support in helping your child to develop excellent attendance habits. This includes:

- Ensuring your child attends school every day wherever possible.
- Arriving on time and ready to learn.
- Making routine appointments outside of school hours where possible and ensuring your child attends part of the day around these appointments.
- Contacting school promptly when your child is genuinely unable to attend.
- Talking positively with your child about the importance of coming to school every day.

We want to work with you and your child to make sure they have the very best possible start to the academic year. If there are circumstances that may make regular attendance difficult, please speak to us. We are always happy to listen and, where possible, work with families to provide support.

Let's work together to make this a successful year for every child. Good attendance gives children the best chance to learn, grow and thrive. We have included links to our Attendance Policy and two government websites, giving guidance around illness and absences from school.

Kind regards,

Mrs A Hunter

# SPORTS HIGHLIGHTS

## Netball Friendly Fixtures vs Welland Park

On Thursday, our Year 10 and Year 11 netball teams welcomed Welland Park for a series of friendly fixtures, showcasing excellent teamwork, and sportsmanship throughout.

Year 10 delivered an outstanding performance, securing a convincing 29-9 victory. Congratulations to Lois, who was voted Players' Player, and Alice, who received the Coach's Player award for her excellent contribution to the match.

Year 11 battled hard in a closely contested game but were ultimately defeated 24-16. A special well done goes to Summer, who was selected as Players' Player, and Eleanor, who was named Coach's Player for her impressive performance and commitment throughout the fixture.

Well done to all students involved for representing the school so positively and demonstrating fantastic effort, resilience and teamwork. We look forward to seeing both teams continue their progress throughout the season.

## Sports Mile

Well done to the student below who raised the most money individually for the Sports Mile!

Congratulations also to Bentley Ball who was second in raising the highest funds.

Both students were awarded an Amazon voucher!

**IT'S OKAY NOT TO BE OKAY, AND YOU ARE NOT ALONE.**

**NHS** Leicestershire Partnership NHS Trust

**Hey, how are you feeling?...**

There are lots of things you can do to keep yourself feeling well:

- Getting a good night's sleep
- Spending time with friends and family
- Playing games or getting outside
- Exercising and eating well to look after your body
- Learning a new skill or taking on a challenge
- Helping other people

**... I feel great! I am happy and healthy**

It's normal to feel this way. We all experience lots of emotions and these can change over time.

Try some of the things in the box above and talk to someone about how you're feeling. This could be your friends, a parent or carer - or a teacher or adult at school.

**... I'm okay, but I sometimes feel a bit worried or sad**

If you're struggling, it's important to speak to someone. People want to help you. If you need it, you or your parents or carer can support you to get professional help. A good place to start is by talking to a mental health and wellbeing lead or trusted adult at school, or your GP.

You can also find free and safe support on these websites:

- Health for Teens: [www.healthforteens.co.uk](http://www.healthforteens.co.uk)

**... I am so upset or overwhelmed that I need help now**

If you need to speak to someone urgently, you or a parent can call NHS 111, selecting option 2 for mental health. This is a 24/7 service.

If there is an immediate or life-threatening emergency, call 999 or attend A&E. People are there and ready to help you now.
