Job Application Pack

Catering Assistant

Welcome to our school

We are delighted you have shown an interest in joining our team at Lutterworth High School.

Everything we do at LHS is underpinned by our ethos: “Where learning comes first”. We create a caring environment where students can develop to become articulate and confident young people, prepared for the next stage of their education and able to participate and contribute to society. We know that to learn, students need to feel safe and happy. Both the size of our school and the support offered enables our students to develop their passions and interests and grasp every learning opportunity both within and beyond the curriculum.

We are looking for a hardworking and dedicated individual to join our experienced Catering Team. A very high percentage of our students choose to purchase food in school and we offer a wide range of popular meal options from our outlets including ‘grab and go’ options, pasta pots and a traditional sit down meal. The catering team work very well together and are an essential part of the school staff.

Staff training and well-being is a high priority and we will give you the training and ongoing professional development you need to succeed.
